

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Claims:

1. (Currently Amended) A method for ~~treating or~~ reducing hair growth ~~in a person with hypertrichosis or~~ in a patient suffering from hirsutism, comprising administering botulinum toxin type A to the upper lip of said person or patient in a quantity sufficient to reduce downy hair growth in said patient.

2-10. (Canceled)

11. (New). The method for reducing hair growth of claim 1, wherein the method comprises shaving the patient prior to administering the botulinum toxin.

12. (New). The method for reducing hair growth of claim 11, wherein the method comprises shaving the upper lip of the patient prior to administering the botulinum toxin.
